Safety & Security - Fire Alarm project is moving along.

AVID Update- AVID revalidation for National Demo School is coming up on February 22nd. This reval will be partly in person and partly virtual. We will have students and teachers on a panel to talk about AVID and we have a new regional director who will oversee our school.

Free & Reduced Lunch- 72% of students are on FRL. 157 students did not apply. District is pushing for all students to apply. The funding is based on percentage.

FAST Testing-1 round left. See the adaptive flyer to understand how the FAST questions are adaptive to not only the individual test, but also continuously over time from test to test.

Budget Projection

Mid Year SIP update - all grade levels are showing increase in proficiency. Growth evident in reading and math.
