## Keys Kids Swim Presenters

This is the second year for this program. It was very successful last year and we are the only school that is currently offering this in the district. The program is in need of parent volunteers that are already level 2 cleared by the district. If you are interested and not cleared, please give your name to Miss Ashley in the front office so we can work to get you fingerprinted and cleared to be a level to volunteer for the school. This allows you to attend field trips and other events.

Kindergarten swim will run from April 1-5 and April 8-12 in the morning from 9:00am to 1:30. The classes will be attending in two groups and those groups will be divided into separate groups based on ability. Certified Red Cross Swimming instructors will be in the pool with the kids and KLS staff. However, volunteers are also needed to support the safety of all the students in the water and increase the supervision of the swimmers.

## Safety & Security

- Presentation by Detectives of Monroe County Sheriffs Department highlighting the importance of knowing the programs, games, and activities your child is engaging on the internet for safety.
- Q&A with presenters
