# TAH Lesson Study Reflection and Revision Form

Lesson Study Group: Key West PLC

Date: February 1, 2013

1. To what extent were the goals of the lesson achieved? Provide supporting evidence.

Goal met - students were able to discuss weakness and come up with the article that addressed it (coupled paper on wall)

2. In what ways were the goals not met? Provide supporting evidence.

Some students were not engaged in activity part of lesson, allowed rest of group to work the activity.

3. Based on our evidence, what aspects of our lesson plan should we change?

Specify which part of the activity each student needs to work on (to keep them engaged)

4. What specific changes will we make to the lesson to better meet our instructional goals?

- Document on Smartboard and flexible.
