Excerpt from Dr. King's Speech

"And when this happens, when we allow **freedom to ring**, when we let it ring from every village and every **hamlet**, from every state and every city, we will be able to speed up that day when all of God's children, black men and white men, **Jews and Gentiles, Protestants and Catholics**, will be able to join hands and sing in the words of the **old Negro spiritual**, "Free at last! free at last! Thank God Almighty, we are free at last!"

Phrase	Meaning
freedom to ring	having freedom.
hamlet	a village without a church
Jews and Gentiles	people of religion
Protestants and Catholics	care judicial
Old negro spiritual	black people standing up, for their self and believing what's right.

Summarize in your own words: Martin Luther King Jr. had a dream about freedom that all colors should be equally as one even though some people had different religions. He wanted everyone to be treated the same way he cared for all colors.
