2. Treasurer's Report and 2020-2021 Budget Review

- A. The 2019-2020 board approved the purchase of \$2000 for Covid related expenses out of the 2020-2021 budget
- B. Operating account balance \$17,812.64, Reserve account balance \$5,052.10, Science on a Sphere account balance \$41,039.92.
- C. Review of budget by line item. Board decided to make the budget as best as possible given the circumstances. We can change as we are able to fundraise more.
- D. Budget approved by vote through general membership
- E. PTA audit has been completed and submitted.

3. Fundraisers

- A. Jessica brought up potentially selling PKS masks and/or water bottles for a fundraiser. We can sell through the Member Hub store. She will look into pricing options and keep The mask side of things local but may need to order water bottles online. More research will be done.
- B. Dominos Pizza fundraiser will begin on 10/5.
- C. We will not hold a meet and greet this year.
- D. Bricks: we need to find a site plan of the school or draw one ourselves. This way we know where bricks are being placed and how many of each size brick we can sell. Board agreed to move forward with the brick fundraiser this year.
- E. Will proceed with planning of Color Run. If we are unable to do the run we will do a virtual scavenger hunt.
- F. One of the members suggested a video game livestream tournament. These are popular and there is a way to fundraise for the PTA. Elizabeth will do more research.
- G. Several members suggested promoting ordering items on Amazon through Amazon Smile to raise \$ for the PTA. The board will work on posting Amazon Smile on social media.

4. Misc.

- A. Minutes and agendas will be posted on the Member Hub site as well as the PKS website. Audit & Budget are also posted on Member Hub
- B. Members are encouraged to create a profile and stay connected through Member Hub.
- C. Meeting will continue as Zoom meetings on the 3rd Tuesday of each month at 5:30
- D. Asked members to spread the word about joining the PTA. Once the dust settles from returning to school teachers will send reminders on Remind to join the PTA. There were 200 (estimated) members last year.

Next general meeting date 10/20/20 at 5:30
