Mr. Unke, Principal, called the meeting to order at 5:35. He welcomed parents, teachers, district personnel and community members.

- 1. Construction at Stanley Switlik:** Mr. Unke began by showing a picture slide show of our school to give the architects and the construction company a sense of what our school is about. Then he introduced the members of the Harvard Jolly Architects and Ajax construction teams. The architects spoke a little about the timeline of events. Our new school should be completed by August of 2020. The community had an opportunity to ask questions, followed by a brief reception to celebrate the beginning of our journey towards a new school.

Meeting adjourned at 6:30.
